Georgia Appalachian Trail License Plate Application

The Appalachian Trail (A.T.) special interest license plate promotes the A.T. in Georgia. The Appalachian Trail Conservancy (ATC) will also seek necessary legislative approval to receive profit-sharing from these special license plates to help conserve the 75.4 miles of the A.T. in Georgia, which would include Trail and facilities maintenance, viewshed preservation, environmental monitoring, education and outreach programs, and increased public information about the Trail in Georgia.

With your purchase, you show you are part of the distinguished group of people dedicated to preserving the magic and adventure of the 2,175-mile Appalachian Trail. As a thank you, you will receive a free, one-time annual membership to the ATC. If you are already a member, you may give your free membership as a gift. This membership is a \$35 value, with which you will receive a decal, our bi-monthly membership magazine *A.T. Journeys*, and discounts at the Ultimate A.T. Store.

Please note: The state is not set up to allow personalization of specialty plates at this time.
