

## Cherokee Hiking July Club Meeting July 12, 2012

The club met at the Ducktown Basin Museum in Ducktown TN on July 12, Thursday. While there was no business meeting (therefore no minutes), there was a delicious pot luck supper starting at 6:00 and at 7:00, Ken Rush, the Director of the Museum, gave an interesting talk about copper mining at the Burra Burra Mine. 21 members and guests attended. The photo (thanks to club member Jane Bohannon) below shows Ken Rush talking to Liz Carter, local author and guest at the meeting.
